WELCOME TO THE SOMERVILLE HOTEL

The old front bar at the Somerville Hotel has been given a makeover. Gone are the days of a dark TAB, only 3 beers on tap, and air conditioning that would only work in the winter!

The Somerville has had a complete refurbishment. It boasts a brand new front courtyard, complete with heaters, plants and a place to eat. Inside has seen the heritage listed back wall stripped back to its original brick, a brand new wood bar top, a lick of paint, and an industrial feel makes this new bar modern, airy and inviting.

*The hotel offers a sophisticated & relaxed atmosphere,
creating the perfect setting for your next event!*
